**Improper Submission of Authorization to Permit Access to
Application by Participating Offices under 37 CFR 1.14(h)**

The Authorization to Permit Access to Application by Participating Offices under 37 CFR 1.14(h) (authorization to permit access) on 11/08/2007 in application number 10/721,386 is not accepted because of the reason(s) listed below:

- The authorization to permit access was not properly signed in accordance with 37 CFR 1.14(h)(2). If applicant still wishes to provide authorization to permit access under 37 CFR 1.14(h), applicant must submit a properly signed authorization (e.g., PTO/SB/39).

Any authorization should be submitted prior to filing a subsequent foreign application with a participating intellectual property office in which priority is claimed to the above-identified U.S. application to ensure that it is likely that the participating foreign intellectual property office will be successful in its attempt to retrieve a copy of the U.S. priority application from the Office.
